

## OC POLO CLUB. A FAMILY LEGACY

30 years in the making, the Orange County Polo Club is a venue unlike any other, offering both stunning event spaces and a variety of polo experiences for you and your guests to enjoy. Although the ranch is located only thirty minutes from Newport Beach, you'll immediately find yourself transported to somewhere else as you drive through the rolling hills and winding roads of Silverado Canyon.

# EXPERIENCE THE RANCH

Our rustic yet modern ranch features a stunning indoor/outdoor clubhouse perched atop the property, overlooking the state-of-the-art polo arenas, stables, and seasonal running creek below. Take in an exhibition polo match from one of the multiple viewing decks, sip a hot toddy while you relax by the fire pit, or saddle up for an intro to polo clinic if you're feeling more adventurous. Escape to Silverado Canyon and experience all that the ranch has to offer.
